Portable
Power Station

300W

Intelligent monitoring
Real-time monitoring of product performance.

Short-circuit protection
Auto-cut circuit when short occurs.

Overcharge protection
Prevent battery from overcharging and auto-stop when fully charged.

Overpower protection
Product has dynamic power protection which will auto-stop output when overpower occurs.

Battery balance system
Extend the service life of batteries and ensure the consistency of batteries.

Temperature protection
Guarantee battery working at safe temperature.

Over-current protection
Auto-cut circuit when overcurrent occurs.

Over-voltage protection
Protect product from high or low voltage harm to ensure product and facilities safe.

LISTING DETAILS		MASTER BOX PACKAGING	
Modle No:	VT-303	Qty Per Pallet:	1
SKU Code:	11441	Net Weight :	3.3KG
EAN Code:	3800157692229	Product Size :	220*170*210mm

Drone · Blender · Mini Cooler

Mobile · Laptop · TV

Fan · Printer · Power Tools

FC CE RoHS PSE

SOLD IN OVER 70 COUNTRIES

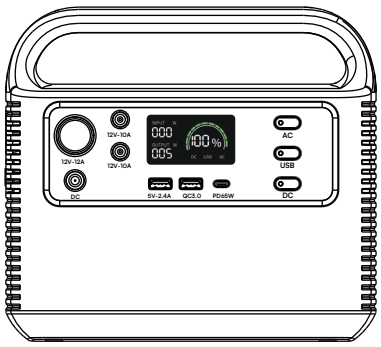
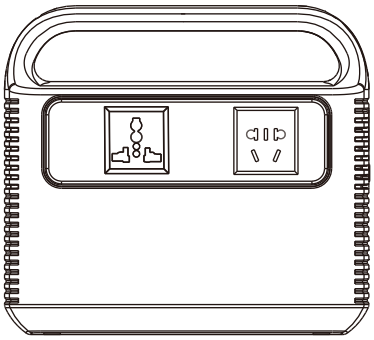
ONE BRAND, ENDLESS SOLUTIONS.

Portable Power Station

DRAWING AND DIMENSION





Battery Capacity：	274Wh，20Ah/14.8V
AC Charge Adaptor：	DC19V/3A (include)
Solar Charge：	DC18V-22V，Max. 3A Charging input
USB-A：	5V 2.4A
USB-A：	QC3.0 5V 3.6A（18W）
USB-C：	PD 5V/9V/12V/15V/20V 65W
AC Output：	Max 500W 230V
DC Output：	12V-10A
Cycle Life:	Cycled:> = 1000 Ternary lithium Battery

LED High-brightness Display Screen

Output Power- Input Power- Electric Quantity

CIGAR Lighter	AC Output	QC 3.0 Power Delivery
12V 100W	High Efficiency	18W
